

IMPORTANT ANNOUNCEMENT

The City of Charleston and Carolina Waste Services are announcing improvements to the collection schedule of garbage, yard debris and bulk waste in your neighborhood, street or area.

- **GARBAGE** includes all perishable refuse and household rubbish, such as cloth materials.
- **TRASH** includes leaves, grass, yard clippings, small limbs/branches/stumps, large pieces of metal, white goods (bulk metal objects) and nonperishable refuse.
- **BULK** includes furniture, mattresses, small and large appliances, and large nonmetal items.

Beginning **February 1, 2016**, streamlined same-day pick up service for **GARBAGE** (in carts) *and* **YARD DEBRIS** (leaves/yard waste in **brown paper bags** & small limbs stacked no larger than 4 inches in diameter and 4 feet in length) will start. **If you reside in one of the neighborhoods or areas listed below, your yard debris collection day will move from Thursdays to TUESDAYS joining the regular garbage pick up day.** Reminder: the use of clear or black plastic bags for yard debris is prohibited at the Landfill and Carolina Waste will not pick up plastic bags.

BULK WASTE (furniture, appliances, etc.) will be collected every **FRIDAY**. Only completely empty, dry paint cans may be discarded as bulk waste. There is no pickup of car batteries or tires. Also, *contractor* waste of any kind i.e., lawn & landscaping maintenance, tree maintenance and construction materials must be taken directly to the Bees Ferry Landfill *by the contractor*.

These changes **do not** impact Charleston *County's* recycling bi-weekly pick up schedule. [Recycling Centers](#) accept full and partial cans of paint at the recycling center.
