RAISING THE BARRE

This workout combines the best of Pilates, resistance training and ballet to tone, strengthen and shape your body. With a strong focus on posture, this workout is designed to increase flexibility and produce long lean muscles. Using only light hand weights and your body's own resistance, you will tone and change your body while working at your own pace. A tighter seat, flatter abs, thinner thighs, sculpted arms and a strong core...this is Raising the Barre!
