MEMORANDUM

DATE: October 24, 2016

TO: John J. Tecklenburg, Mayor
Charleston City Council

FROM: Amy K. Wharton, CFO *Amy K. Wharton*

SUBJECT: 2016 Budget-to-Actual Report through September

Presented here is the City's 2016 Budget-to-Actual Report through September. We are now through the third quarter of our fiscal year. As you will see in examining the attached graphs, we have cause to be reasonably optimistic but we must keep in mind that most of our property taxes will not be received until early 2017. That being said, with the revenues we have thus far received, and expenditures to date, I believe we are in reasonably good shape.

Our fine budget team continues to work with our departments, monitoring expenditures and controlling cost. As always, there are many moving parts affecting the budget. Completing 2016 budget execution with a balanced budget will require a strong effort, but one our team will be actively managing with the clear expectation of success. We are well on our way to preparing our 2017 Draft Budget. Tonight we will conduct our Public Hearing, and receive citizen input on our 2017 budget.

I look forward to presenting the 2017 Draft Budget to you on November 22, 2016. If you have any questions, please feel free to contact me at (843) 579-7529 or WHARTONA@charleston-sc.gov.
