comment	alexandria	mirzayan	179 3rd ave	null	null	I live next door to 183 and I am opposed to him being able to come so close to my property. I had a few professionals come by and give me their opinions as I am not well versed on this topic. He is devaluing my property by doing so and it will negatively affect the light and air quality of my home.	5	183 3rd ave	null	null	Apr 17 2022 2:33PM
