Department of Planning, Preservation & Sustainability to Host Short Term Rental Permit Application Workshop

Charleston, S.C.—The department of Planning, Preservation, and Sustainability will host two open house workshops where citizens can meet with city staff to review the process of applying for Short Term Rental permits under the new ordinance, which seeks to more broadly regulate the practice throughout all areas of the city and goes into effect on July 10, 2018.

The first workshop will be held on Thursday, June 21 from 5 to 7 p.m. in Ballroom 1 at the Gaillard Center (2 George Street), and the second on Monday, June 25 from 5 to 7 p.m. in the first floor Public Meeting Room at the Gaillard Center.

City staff from various departments will be available to answer citizens' questions throughout the duration of both workshops. A guide to the online application process will be available on the city's website by June 21 for those unable to attend.
