## **City of Charleston to Host AmeriCorps VISTA Virtual Information Session for 2022 Site Selection**

**Charleston, S.C.**—The city of Charleston will host a Virtual Information Session for the 2022 AmeriCorps VISTA Site Selection Process to provide an overview of the program, and review related regulations and site requirements for organizations interested in hosting a VISTA service member. The Information Session will be held on Monday, January 10 at 3 p.m. via Zoom.

**Why it matters:** AmeriCorps VISTA is the national service program of the Corporation for National and Community Service (CNCS), designed specifically to fight poverty.
