Do the math to see your savings.

Because HSA contributions are set aside before taxes are taken from your paycheck, the amount of income you pay taxes on is reduced and **you save money.**

A typical HSA participant can save \$490 a year* - how do your savings add up?

	With HSA	No HSA
Annual pay	\$35,000	\$35,000
Pre-tax HSA contribution	-\$1,500	-\$0
Taxable income	=\$33,500	=\$35,000
Federal income and Social Security taxes	-\$7,362	-\$7,852
After-tax dollars spent on eligible expenses	-\$0	-\$1,500
Spendable income	=\$26,138	=\$25,648
Potential Tax Savings with an HSA	\$490	\$0

*Sample tax savings for a single taxpayer with no dependents; actual savings will vary based on your individual tax situation. Consult a tax professional for more information.

Your HSA will get you there.

Did you know that your Health Savings Account can help you grow your financial future?

- ✓ **Build it up.** Because your contributions are pre-tax, for every \$100 you put into your HSA, your paycheck is only reduced by about \$70 (depending on your tax bracket).
- ✓ **Build it more.** Interest and investment earnings are also tax-free. The earlier you start, the more you'll have later on.
- ✓ **Pay it forward.** Consider paying for care with personal funds instead of your HSA, and record those eligible transactions in HSA Save-It!™ for future cash.
- ✓ **Spend it later.** With HSA Save-It!, because all disbursements are for eligible expenses accumulated throughout the life of your HSA, you can treat yourself to a vacation, shopping spree, or even a boat when you're ready to cash it out.

Tips to Get the Most Out of Your Health Savings Account

connectyourcare.com

Your HSA, Your Way

- ✓ Tax savings for health care expenses
- ✓ Health care payment card
- ✓ Quick and easy payments
- ✓ Online and mobile account access
- ✓ Health education tools
- ✓ 24/7 customer service

Know how it works.

A Health Savings Account (HSA) is like a 401(k) for health care - a tax-advantaged account that you can use for qualified medical expenses today or save for the future.

- ✓ **Yours forever** - Your HSA is owned by you, is immediately 100% vested, and never expires.
- ✓ **Use it today** - Use your pre-tax HSA funds to cover health expenses today - it's like getting a discount on every bill.
- ✓ **Grow it for tomorrow** - HSAs earn interest and may be invested. Even better - unused HSA funds roll over each year and continue to earn interest and grow.

We make it quick and easy to use your HSA.

- ✓ **Payment Card** - You will receive a health care payment card to pay for eligible expenses.
- ✓ **Online and Mobile App** - If you do not use your card, you can quickly and easily submit payment requests online or on our mobile app. Check your account balance and payments online or on your mobile device.
- ✓ **We're here to help** - Always available for questions, 24/7.

Maximize your savings.

By maximizing your contributions and reviewing your investment options today, you can grow your account for tomorrow.

- ✓ **Interest earnings - from day one!** Enjoy interest earnings on your HSA balance from the first day your HSA is active.
- ✓ **Investments - for the saver in you!** Consider investing HSA funds in nationally recognized mutual fund families. It's simple to set up and manage online.

Savings That Really Add Up

Say you contribute \$3,000 a year to your HSA each year until retirement. Assuming you use \$1,500 a year for medical expenses, earn 8% a year in interest and investments, and reinvest all earnings, your savings can really add up.*

Starting Age	HSA Value at age 65
25	\$419,680
35	\$183,523
45	\$74,137
55	\$23,469
