When the City submits notice, Contractor shall promptly defend any aforementioned action. This obligation shall survive the suspension or termination of the contract. The limits of insurance coverage required herein shall not serve to limit this indemnity obligation. The recovery of costs and fees shall extend to those incurred in the enforcement of this indemnity.

INSURANCE REQUIREMENTS

Contractors working for the City of Charleston are required to procure and maintain for the duration of their contract with the City insurance against claims for injuries to persons or damages to property which may arise from or in connection with work performed by the Contractor, his agents, representatives, employees or Subcontractors. The cost of such insurance shall be the responsibility of the Contractor.

- A. The Contractor shall carry liability insurance with a reliable company licensed to do business in South Carolina. Coverage shall be at least broad as:
1. Insurance Services Office Commercial General Liability Coverage Form (“occurrence”) CG 00 01 10 93.
 2. Insurance Services Office Business Auto Coverage Form CA 00 01 6 92 covering automobile liability, code 1 “any auto”.
- B. Contractor shall carry workers’ compensation as required by the State of South Carolina and Employers Liability insurance (including applicable occupation disease provisions and all state endorsements.)
- C. Contractor shall maintain limits no less than the following:
1. **GENERAL LIABILITY:** \$1,000,000 combined single limit per occurrence for bodily injury, property damage, and personal injury with a \$2,000,000 general aggregate limit.
 2. **AUTOMOBILE LIABILITY:** \$1,000,000 combined single limit per accident for bodily injury and property damage.
 3. **WORKERS’ COMPENSATION:** Statutory limits are required by South Carolina state law, and employer’s liability limits of \$100,000 per accident.
 4. **PROFESSIONAL LIABILITY:** \$1,000,000 per claim/\$1,000,000 aggregate limit, with a deductible of \$20,000.

Contractor shall obtain and maintain a professional liability insurance policy covering the performance of the professional services specified in this agreement. Evidence of such insurance shall be satisfactory in form and content to the owner, the City. This coverage shall be maintained through the duration of this project and for a minimum of 1 year after substantial completion of the project as determined by the City.

The Contractor and any of its subcontractors will cause the professional liability insurance required in this paragraph C.4:

- (a) to be excess insurance over any project professional liability policy, and

- (b) to be primary insurance in the event the project insurance described in Paragraph E is canceled or not maintained, in the event the policy's limits of liability are exhausted, or if the policy expires.

D. Required policies are to contain, or be endorsed to contain, the following provisions:

1. General Liability and Automobile Liability Coverages

The City of Charleston, its officials, employees and volunteers are to be covered as additional insureds as respects: Liability arising out of activities performed by or on behalf of the Contractors; premises owned, occupied or used by the Contractor; or automobiles owned, leased, hired or borrowed by the Contractor. The coverage shall contain no special limitations on the scope of protection afforded to the City of Charleston, its officials, employees or volunteers. To accomplish this objective, the City of Charleston shall be named as an additional insured under the Contractor's general liability policy by attaching Insurance Services Office Commercial General Liability Endorsement CG2010 10 93 (Additional Insured - Owners, Lessees or Contractors - Form B) or its equivalent. Contractors' insurance coverage shall be primary insurance as respects the City of Charleston, its officials, employees and volunteers. Any insurance or self-insurance maintained by the City of Charleston, its officials, employees, or volunteers shall be in excess of the Contractor's insurance and shall not be required to contribute. To accomplish this objective, the following wording should be incorporated in the previously referenced additional insured endorsement.

Other Insurance: This insurance is primary, and our obligations are not affected by any other insurance carried by the additional insured whether primary, excess, contingent or on any other basis.

Any failure to comply with reporting provisions of the Contractor's policies shall not affect coverage provided to the City of Charleston, its officials, employees or volunteers.

2. Workers' Compensation

The Contractor shall agree to waive all rights of subrogation against the City of Charleston, its officials, employees and volunteers for losses arising from work performed by the Contractor for the City of Charleston.

E. Any deductibles or self-insured retentions shall be the responsibility of the Contractor.

F. Each insured policy required by the City of Charleston shall be endorsed to state that coverage shall not be suspended, voided, canceled by either party, reduced in coverage or in limits except after thirty (30) days prior written notice has been given to the City of Charleston.

G. All coverages for Subcontractors shall be subject to all the requirements stated herein.

- H. Insurance must be placed with an approved insurance company with current Best's rating of A+, A, or A-. Exceptions to this requirement must be approved in writing by the Department of Risk Management.

- I. Contractor shall furnish the City of Charleston with Certificates of Insurance noting the endorsements. The Certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. All certificates and endorsements are to be received and approved by the City of Charleston, Procurement Division, before work commences. The City of Charleston reserves the right to require complete, certified copies of all required insurance policies, at any time.

Required certificates should be mailed to:

Any such breach may result in termination of the Contract in accordance with the termination provisions contained in the Contract. It shall be solely at the option of the City of Charleston whether to terminate the contract for breach. In addition to terminating the Contract, the bidder may be prohibited from participation in future solicitations as determined by the City of Charleston.
