

## Zoning Board of Adjustment (BZA) Files, A-F, ca. 1984-1999

### Descriptive Summary

**Title and Dates:**

Zoning Board of Adjustment (BZA) Files, A-F, ca. 1984-1999 (bulk 1990-1999)

**Quantity:**

16 cubic feet

**Forms of Material:**

Correspondence, plats, maps, plans, home occupation applications, business licenses, building permits, Zoning Board of Adjustment (BZA) applications, property line adjustments, Technical Review Committee applications

**Processed by:**

Rebecca Schultz, 2020

**Note to Researchers:**

Some properties do not have a single address point whether because of property divisions and combinations, or documents that apply to several different properties at once. Where necessary, unidentified properties are located at the beginning of the folder for that street.

The material held by Records Management contains addresses filed under street names starting with A through F. Any street addresses beyond that point are misfiles and may not represent all of the records available for that address.

**Location:**
