

GREETINGS FROM

Parkwood/Farmfield Neighborhood Association

This quarter, we're spotlighting the Parkwood/Farmfield Neighborhood Association, which embodies a strong sense of community and collaboration! Its members have spearheaded safety initiatives like "slow down" signs to address speeding, and reporting incidents to the non-emergency line. They host vibrant events like art walks, a Halloween Block Party, and a Christmas golf cart parade. In addition they often collaborate with the City for Greenway litter cleanups to better the environment. Join their Facebook group to keep up with all of the updates!
