# Gymnastics

 All classes will be at the Charleston Gymnastics Center at James Island Recreation Complex

Attire: Girls should wear leotards or approved shorts and a t-shirt, with long hair pulled back. Boys should wear shorts and a t-shirt.

Recreation gymnastics classes are designed to be a fun way to introduce children to the sport. During class children are expected to be respectful of coaches and other children within the gym. All groups will be exposed to the four women's events; vault, bars, beam, and floor. They will also do various conditioning exercises and trampoline. Classes meet once a week during the days/times registered. Due to the nature of our scheduling, please contact Chelsie Fekete (Bishop) if you have questions regarding specific class days and times prior to registration. Classes fill up fast and once you are registered, you may not be able to transfer to a new class.

*\*Schedule is tentative and subject to change prior to registration. Check website for updates.*
