## TRAINING

Explorer Post 11 meets on Mondays from 6 pm - 8:30 pm at the Charleston Police Department, located at 180 Lockwood Blvd, Charleston, SC 29403. We also train at various other locations and dates and with other police departments. We train on various topics, such as ethics, legals, drill, patrol tactics, traffic stops, active shooter, drug search warrants, crime scene, forensics, harbor patrol, crisis negotiations, bomb response, K-9 tactics, SWAT, and many other topics.

Our Explorers participate in ride-alongs with our advisers, who come from various parts of our Police Department including Patrol, Traffic, Harbor Patrol, and more. These ride-alongs allow our Explorers to see first-hand what our Police Officers do to serve our community. Our Explorers have been instrumental in assisting with special events, investigations, and helping citizens.

## SERVICE TO OUR COMMUNITY

The Charleston Police Department strives to serve our community in every way possible. The Explorer Post is one example of this goal. Explorer Post 11 participates in numerous community events, ranging from local Crime Prevention booths to the Cooper River Bridge Run. This service to the community helps promote well-rounded youth, helps our community, assists with college eligibility, and more.

## COMPETITION

These competitions include individual events such as mental and physical agility tests and team events involving various dispatched calls for service. Explorer Post 11 has brought home trophies at every SCALE competition in recent years.

## SUCCESS
