RECREATION
DEPARTMENT

FIELD TRIP PRICING

**\$3.00/STUDENT WITH A
MINIMUM OF \$60.00 PER
FIELD TRIP**

Each field trip has a maximum limit of 30 students.

FIELD TRIPS

PROGRAM TIMES: 1 1/2-2 HOURS

WILD WETLANDS

Join us at John's Island Park to learn about a freshwater habitat! Participants will dip-net the edge of the pond to learn about invertebrates.

Target Grades: K-5th

BEACH DAY

Join us at Sullivan's Island to learn all about sea turtles, barrier islands, and beachcombing.

Target Grades: K-5th

TREEOLOGY

Let's explore trees, forests, and the animals that live there! Learn about trees' internal and external structure, form a "human tree", and end with a scavenger hunt.

Locations: Hampton Park or Angel Oak Park

Target Grades: K-2nd

PLUFF 'N' STUFF

Come explore a salt marsh habitat with us at Carr Richardson Park in West Ashley! Visit the touch tank to view and touch marine invertebrates and identify common shells with field guides. Timing will be March-October.

Target Grades: 1st-5th

FOREST FACTORS

Join us at West Ashley Park to learn about forests!

Learn about tree anatomy, participate in a predator/prey tag game, learn about the natural process of forest succession, and walk the unnatural trail.

Target Grades: 3rd-5th

IN-HOUSE PROGRAMS

PROGRAM TIMES: ALLOW 50 MINUTES

ROCKIN' REPTILES

Learn about turtles, lizards, snakes & alligators, complete with live animals! Oh what fun!

**City of CHS: \$45/session; \$25/additional
Non-City: \$50/session; \$30/additional**

Target Grades: 4K-5th

SALTY STUDIES

Learn about our salt marshes and common shells, and visit a touch tank with live marine invertebrates!

**City of CHS: \$50/session; \$25/additional
Non-City: \$55/session; \$30/additional**

Target Grades: K-5th

GATOR TALES

Learn about the different types of Crocodilians, gator nesting and enjoy a visit from our resident alligator.

**City of CHS: \$40/session; \$25/additional
Non-City: \$45/session; \$30/additional**

Target Grades: K-5th

TERRIFIC TURTLES

Learn about our SC State Reptile, the Loggerhead Sea Turtle with activities focused on nesting, conservation and interesting facts.

**City of CHS: \$40/session; \$25/additional
Non-City: \$45/session; \$30/additional**

Target Grades: K-5th

INCREDIBLE INSECTS

Learn about insect body parts with the "human insect" activity, discuss the process of metamorphosis, and touch a live insect!

**City of CHS: \$45/session; \$25/additional
Non-City: \$50/session; \$30/additional**

Target Grades: 4K-5th
